### Technical Requirements

4x tablets (iPad/iPad Pro or similar)  
1x macOS/Windows/Linux computer  
1x wireless access point

### Score Viewer

This piece uses a specially designed score-reading application to assist with the performance of independent and changing tempi. A printed score is provided for reference but the score viewer must be used in performance.

### Tempi

The top metronome mark at the start of the score indicates the base tempo. All other tempi are relative to this value.

Metronome marks for individual tempi are expressed as ratios. These indicate the relationship between the new tempo and the base tempo. In the score viewer these ratios are replaced by literal metronome marks in beats per minute.

An arrow between tempi indicates a gradual tempo change. This piece contains a single decelerando lasting the entire duration.

### Additional Notes

Accidentals apply only to a single note and are shown on all modified pitches.

Notes in the full score are spaced proportionally.

The piano sustain pedal should be held throughout.

Temple Block 1 should be higher pitched than Temple Block 2.
