Ghost effect: slide the drum stick up and down the frets creating a ghost sound effect, to be used with reverb.

There are demo samples audio files available, as an example for the desired effects.

Dein Körper rund, die Stacheln schützen dich. Die Einheit.

This musical score is for a 6-piece band, starting at measure 53. The instruments are C Trumpet (C Tpt.), Electric Guitar (E.Gtr.), Percussion (Perc.), Woodwinds (W.), Strings 1 (S1), Strings 2 (S2), Violin (Vln.), and Double Bass (D.B.). The score is written in a key with one flat (B-flat) and a common time signature that changes to 2/4, 3/4, and 4/4. The lyrics are in German: "Har - mo - nie Oh! _____ Ig - nis Feu - er - ball _____ Das hat _____ kein Mensch ge - se - hen wie sie _____". The score includes various musical notations such as dynamics (*f*, *ff*), articulation (accents, slurs), and performance instructions like "plucking the strings" and "change effect to 'Acoustic simulator'". The woodwind part has lyrics written below it, while the other instruments have rests or melodic lines.
