SIMPLE SEARCH

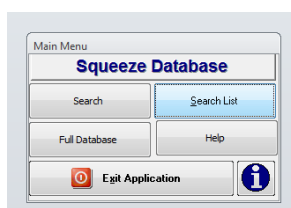

Click 'search'

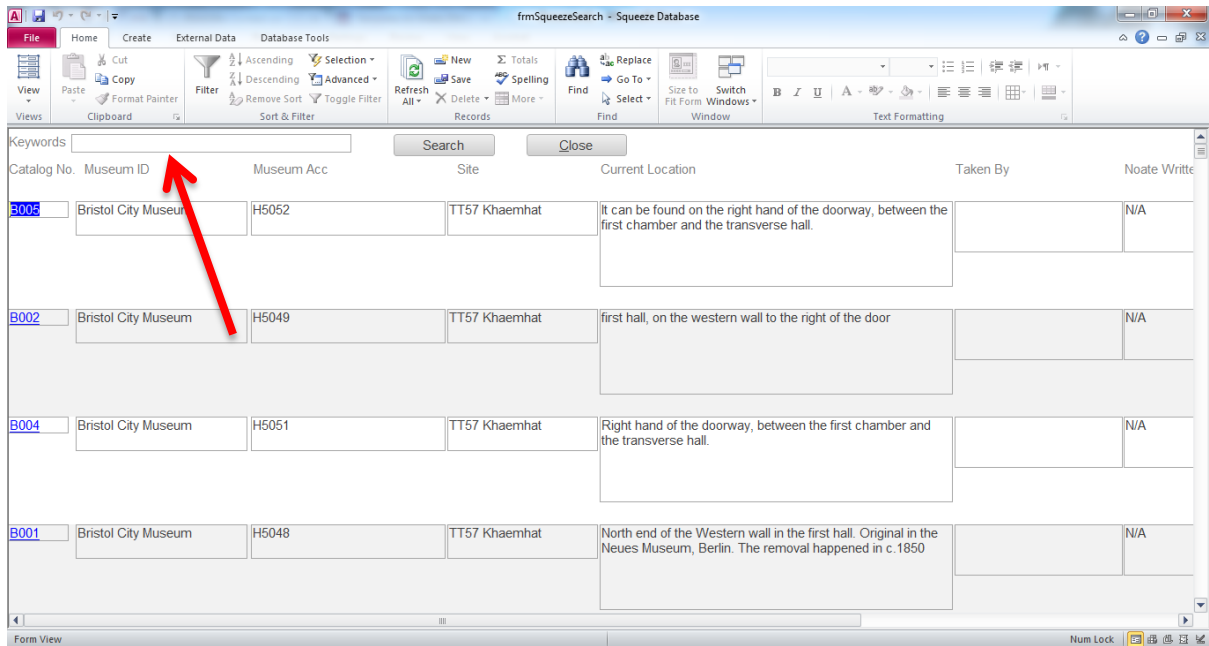

Click 'find' and enter the catalogue number you wish to search for (e.g. B013, G025)

To search the catalogue on key words go to 'search list'

Choose your search criteria (e.g. Sety, Khaemhat, Lieder etc) then click search.

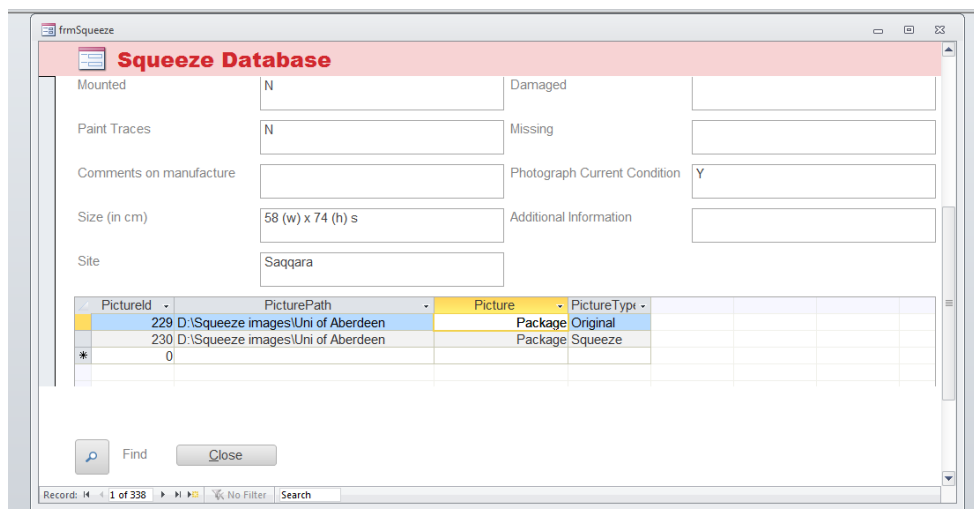

This will bring up a list which includes the key word. Click on the squeeze number to open the record

This will then open an individual record.

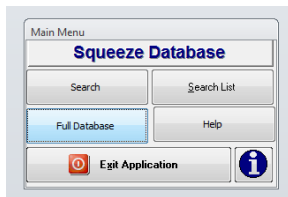

Each record has all the information available about the squeeze including pictures of the squeeze and current location if known. Scroll down to view these.

To view a picture click 'package'. This will open in a different window.

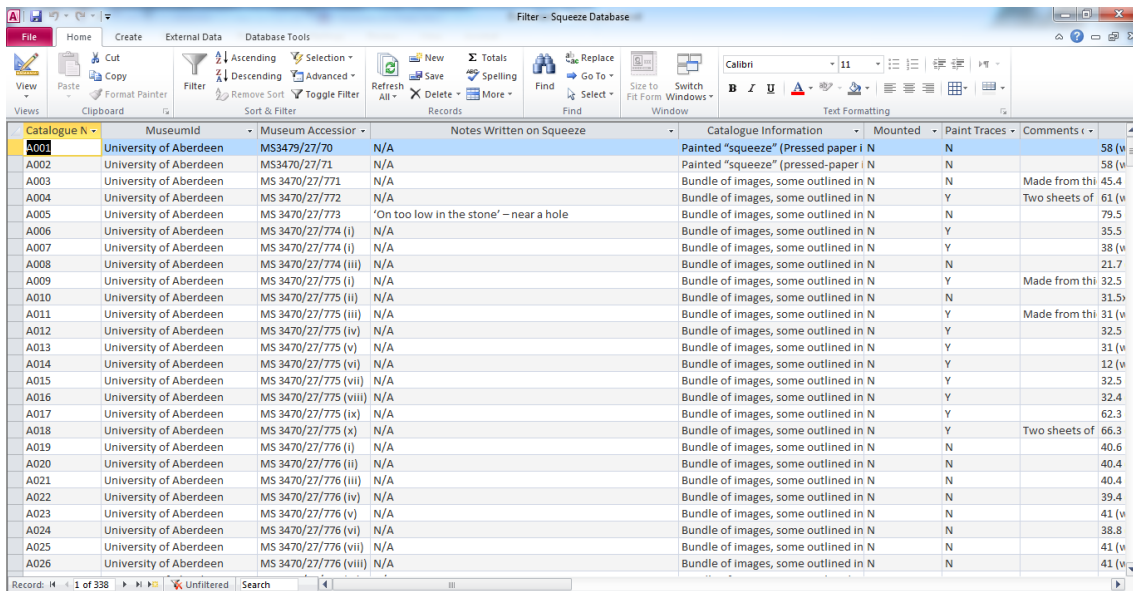

VIEWING THE WHOLE CATALOGUE

To view the whole catalogue click 'full database'

This will bring up the whole database in a spreadsheet format. You cannot go into the individual records from this section.

Make sure the table is expanded to full size
